Interesting...

A member of the rose family, strawberries are indigenous to both the northern and southern hemispheres. The strawberry is unique in that it is the only fruit with seeds on the outside rather than the inside. Strawberries are also naturally high in vitamin C.

Classic and Contemporary Uses

Found in the traditional cuisines of Europe and North America. Commonly used in margaritas & daiquiris, jellies and jams, dessert sauces, ice cream and sorbet, mousses, and bavarians.

Examples: French toast, shortcake, cheesecake, crepes and strawberry rhubarb pie, flavor base for beverages
